

# Ashoka University and Indian Society of Evolutionary Biologists Celebrates Science Day

Seminar series on Ecology and Evolution  
28<sup>th</sup> February, 2020

## Speakers

Prof. Mewa Singh  
(University of Mysore)

Prof. Sutirth Dey  
(IISER Pune)

Dr. Imroze Khan  
(Ashoka University)

Dr. Bittu Rajaraman  
(Ashoka University)

Dr. Shivani Krishna  
(Ashoka University)

## Special talk on Evolution of Rare Genetic Disorders

Prof. Alok Bhattacharya  
(Ashoka University)

## Venue

Auditorium

IIT Delhi Technopark

Rajiv Gandhi education city

Sonipat

## Time

2.00 pm- 6.00 pm

# Ashoka University and Indian Society of Evolutionary Biologists Celebrates Science Day

## Seminar series on Ecology and Evolution

---

**Date:** 28<sup>th</sup> February, 2020

**Venue:** Auditorium, IIT Delhi Technopark  
Rajiv Gandhi education city, Sonipat

---

### Programme Schedule

**14:00-14:30**

Prof. Mewa Singh  
(University of Mysore)  
*Wildlife conservation in the Indian context*

**14:35-15:05**

Dr. Bittu Rajaraman  
(Ashoka University)  
*The evolution of neural systems*

**15:10-15:40**

Dr. Imroze Khan  
(Ashoka University)  
*Immunity in health and in sickness-  
An evolutionary immunological perspective*

**15:40-16:10**

**Tea Break**

**16:10-16:40**

Dr. Shivani Krishna  
(Ashoka University)  
*Learning the hard way;  
How bees handle flowers of complex morphologies*

**16:45-17:15**

Prof. Sutirth Dey  
(IISER Pune)  
*Dispersal evolution- The Drosophila story*

**17:20-17:50**

**Special talk**  
Prof. Alok Bhattacharya  
(Ashoka University)  
*Evolution of rare genetic disorders*
