

Ashoka University and Indian Society of Evolutionary Biologists Celebrates Science Day

Seminar series on Ecology and Evolution
28th February, 2020

Speakers

Prof. Mewa Singh

(University of Mysore)

Prof. Sutirth Dey

(IISER Pune)

Dr. Imroze Khan

(Ashoka University)

Dr. Karthik Bittu Kondaiah

(Ashoka University)

Dr. Shivani Krishna

(Ashoka University)

Special talk on Evolution of Rare Genetic Disorders

Prof. Alok Bhattacharya

(Ashoka University)

Venue

Ashoka University

AC03 LT003

Time

2.00 pm- 6.30 pm

Ashoka University and Indian Society of Evolutionary Biologists Celebrates Science Day

Seminar series on Ecology and Evolution

Date: 28th February, 2020

Venue: Ashoka University, AC03 LT003

Programme Schedule

- | | |
|--------------------|---|
| 14:00-14:10 | Prof. LS Shashidhara
(Ashoka University)
<i>Introductory note</i> |
| 14:10-14:40 | Prof. Mewa Singh
(University of Mysore)
<i>Wildlife conservation in the Indian context</i> |
| 14:45-15:15 | Dr. Karthik Bittu Kondaiah
(Ashoka University)
<i>The evolution of neural systems</i> |
| 15:20-15:50 | Dr. Imroze Khan
(Ashoka University)
<i>Immunity in health and in sickness-
An evolutionary immunological perspective</i> |
| 15:50-16:20 | Tea Break |
| 16:20-16:50 | Dr. Shivani Krishna
(Ashoka University)
<i>Learning the hard way;
How bees handle flowers of complex
morphologies</i> |
| 16:55-17:25 | Prof. Sutirth Dey
(IISER Pune)
<i>Dispersal evolution- The Drosophila story</i> |
| 17:30-18:00 | Special talk
Prof. Alok Bhattacharya
(Ashoka University)
<i>Evolution of rare genetic disorders</i> |
